Hostel Info

Below is a link for the USA Hostelling International where you apply for a membership and the other is for hostels in Belgium. You can either get a hostel membership ($28 annual fee) or you can pay extra at the hostel if you don't have a card. In general, hostels are a good deal and a good way to meet other travelers. However, some hostels are the pits! A little research on-line should turn up comments (good and bad) from people who have stayed at the hostels. Remember to always book rooms before you leave on a trip.

http://www.hiusa.org/

**Note:** Most students on past Belgium Study Abroad programs did not purchase the hostel card.
